

Welcome to

St Gregory's Catholic Primary School

Loving all, like Jesus, we flourish together

This year we are celebrating 100 years of GREATNESS!

St. Gregory the Great Church and School.

1924-2024

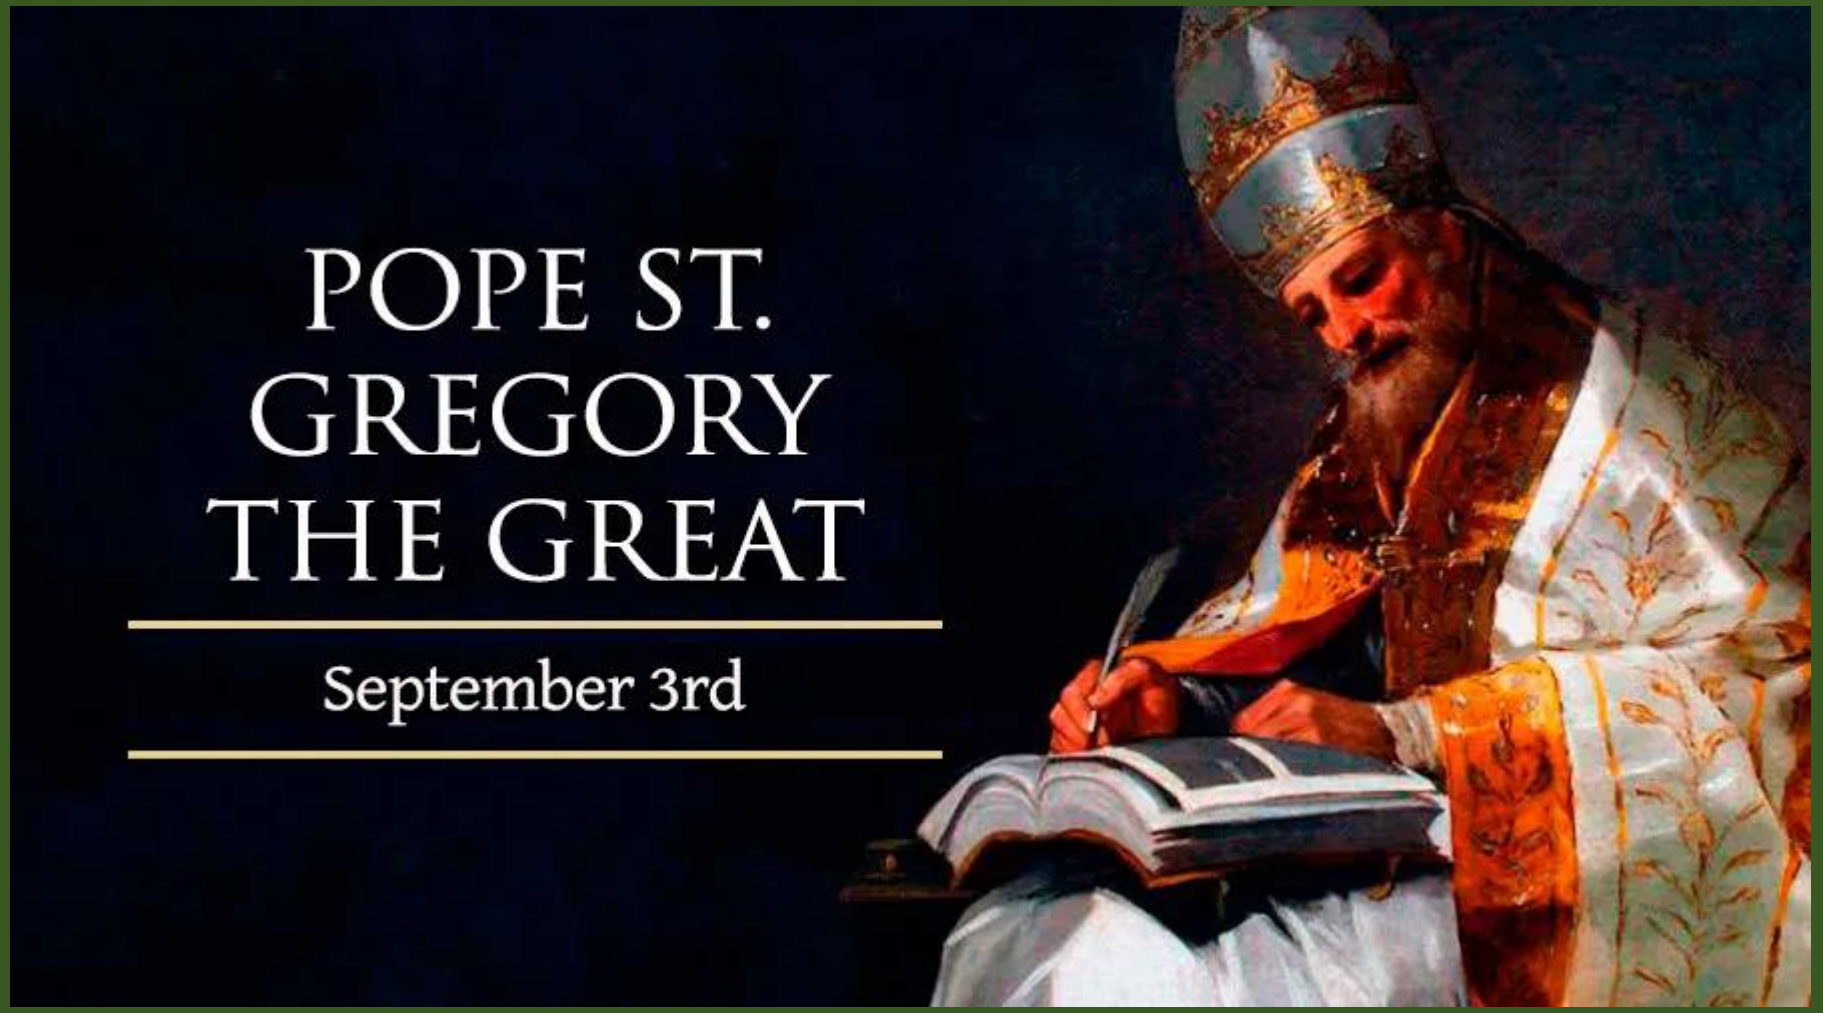
One Hundred Years

One hundred years, one hundred years
Of trying to be like Jesus.
One hundred years.
One hundred cheers, one hundred cheers
For Gregory's the Greatest.
One hundred cheers!

In 1924, there had been the First World War
Life still wasn't great
But there was food on our plate
In 1924.

In 1924, they decided to build one more
To add to the rest
The greatest and best!
In 1924.

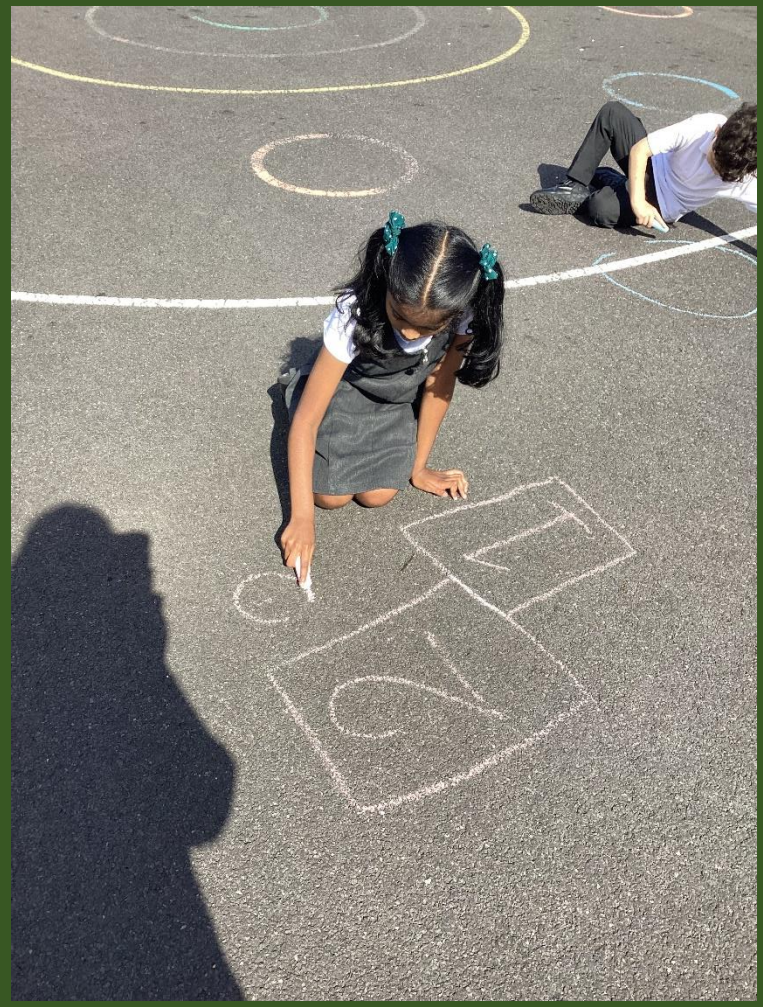
At the start of each year, we also celebrate the feast day of our patron saint!



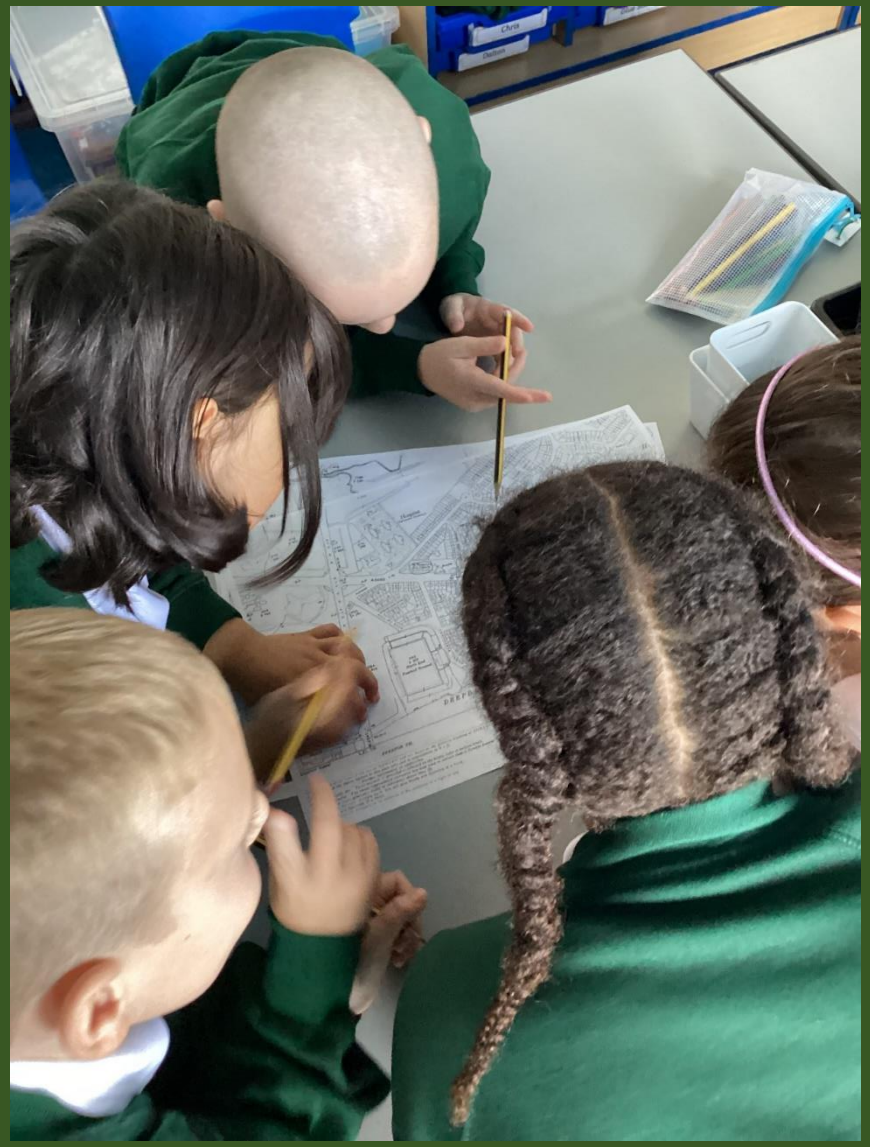
The Superskills for this term are Team-working and Peace-making

Let’s see what St. Gregory’s has been up to …

Y1 and Y2 have been playing games like they did 100 years ago …



Y3 have been looking at Ordinance Survey maps to see how the local area around school has changed in the last 100 years …

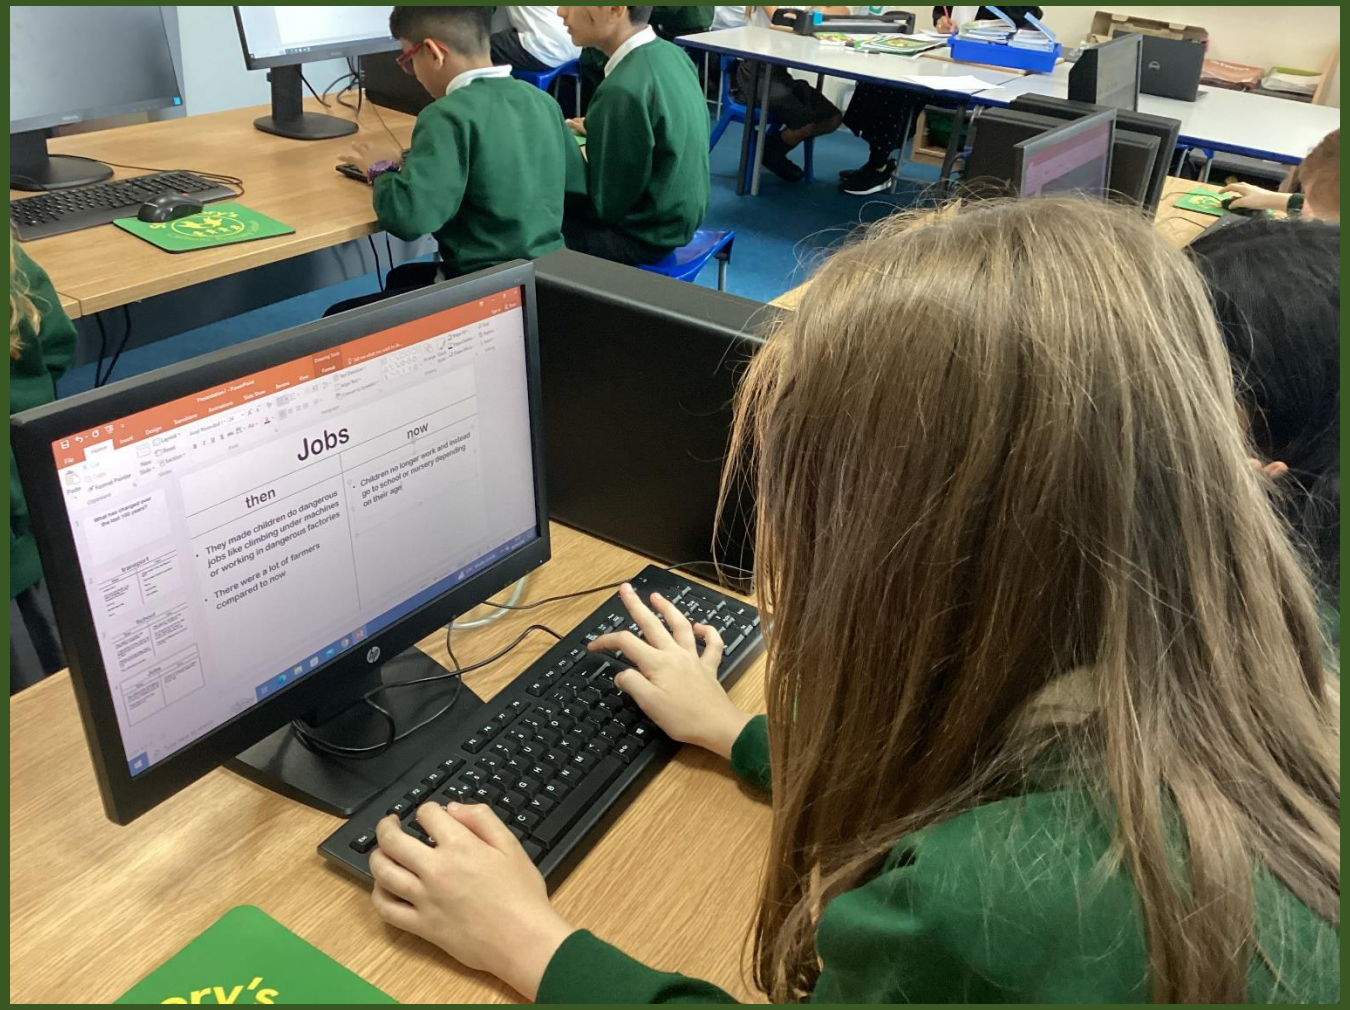


Y4 learned all about what life was like for school children 100 years ago …

Y5 have been very busy researching, food-tasting …

… playing games from 100 years ago … and even doing the Charleston!

Y6 were very busy comparing and contrasting our lives with those of 100 years ago …



We then had a sharing assembly to showcase all we had learned about life 100 years ago when our school was first founded … including – of course – a new song to celebrate 100 years of GREATNESS!

'Loving all, like Jesus, we flourish together'

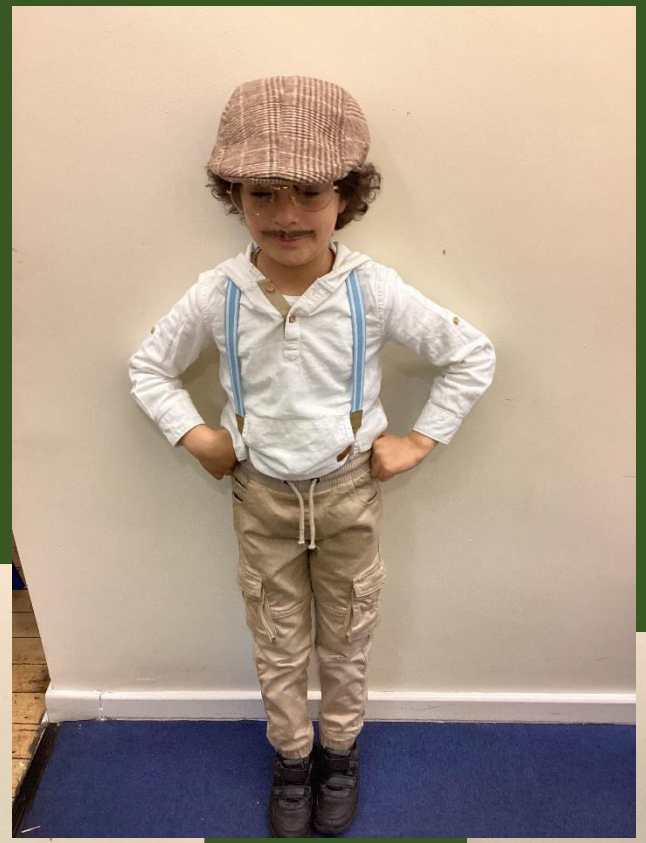
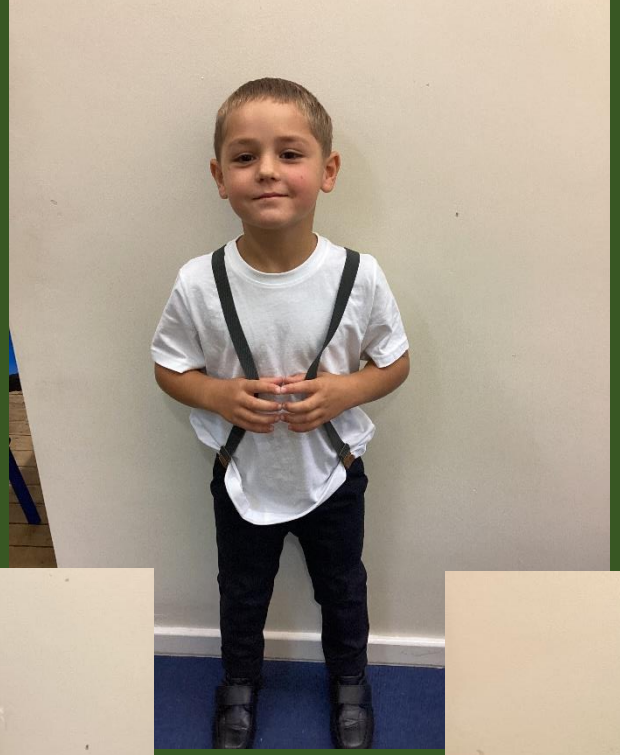
We also had great fun dressing up like they did 100 years ago!





So many GREAT things happening … that's why we are St Gregory's the GREATEST!
