St Gregory's Catholic Primary School

WEEKLY NEWSLETTER 20.11.26

Headteacher message:

Hope everyone has had a good week.

Just a little note this week about class dojo...
We like to think that we are pretty good at having good lines of communication with parents at our school and class dojo is a really good way of dropping a little message to each other every now and again.

However, can I just remind people to try and keep messages as brief as possible and to try not to engage in excessive 'back and forth' conversations with class teachers. I've also asked teachers to do the same because - in their good nature - often they will spend quite a bit of time replying to messages etc.

If an issue requires this amount of dialogue please can I ask that you arrange a time to discuss it face to face. This will save on messaging time and also - in my experience - things can get sorted a lot quicker and easier when done in person, as sometimes - as we all know - messages written down can sound quite different than if they were said in person.

To reiterate - it's still absolutely fine to send a quick message etc to your child's teacher but please - if it requires a more lengthy dialogue - can I ask that you arrange for a face to face catch up going forward. Thanks.

Have a great weekend.

Year 5	Reya for an excellent historical setting description in English.
Year 6	Eshal for beautiful handwriting this week. 🙂

Help us hear from children, young people, parents and carers across Lancashire The Children and Family Wellbeing Service will be launching a survey on 12 October to gather feedback from children, young people, parents, carers and our partners across Lancashire.

We want to hear from people whether they currently use Children and Family Wellbeing Service support or not. Understanding the experiences of families who haven't accessed services is just as important as hearing from those who have.

The survey will help Lancashire County Council better understand what is working well, where improvements could be made, awareness of available support, and any barriers that may prevent children, young people and families from accessing the help they need. The findings will help shape the future development of services, including Family Hubs and the Best Start in Life programme, ensuring support continues to meet the needs of local families.

Safeguarding at our school ...

St Gregory's is committed to safeguarding and promoting the physical, mental and emotional welfare of every pupil, both inside and outside of their schools / college premises. We recognise that safeguarding is everyone's responsibility and that the welfare of the child is paramount.

We are committed to providing a safe, supportive and inclusive environment where all children and young people are respected, valued, listened to and supported to thrive. We recognise that effective safeguarding requires a whole-school approach and strong partnership working with children, families and other agencies.

St Gregory's recognise the importance of Family Help and providing support as soon as a need emerges at any stage of a child's life. We are committed to identifying concerns at the earliest opportunity and ensuring that children and families receive the right help, at the right time.

We recognise that no single practitioner can have a full picture of a child's circumstances and needs. Effective safeguarding requires timely information sharing, professional curiosity, professional challenge and effective multi-agency working to ensure children and families receive the right help at the right time. All staff should understand their responsibility to act on concerns and that anyone can make a referral to Children's Social Care where there are concerns about a child's welfare or safety.

St Gregory's provides Early Years Foundation Stage (EYFS) provision for children under the age of five and safeguarding arrangements will be implemented in accordance with the EYFS Statutory Framework, including the safeguarding training requirements for staff and Designated Safeguarding Leads set out within the framework: Early years foundation stage (EYFS) statutory framework - GOV.UK

All staff, volunteers, governors and trustees have a responsibility to contribute to a strong safeguarding culture and to take appropriate action where there are concerns about a child's welfare or safety. St Gregory's will work in accordance with current safeguarding legislation, statutory guidance and local safeguarding arrangements, including the procedures of the Lancashire Children's Safeguarding Assurance Partnership (CSAP): Lancashire Safeguarding Partnership –

Children are taught about safeguarding, including online safety, through the curriculum and wider school life. This helps children to recognise risk, build resilience, understand how to keep themselves safe and know where to go for help and support.

The school recognises that children may be vulnerable to abuse, neglect, exploitation and other safeguarding risks both within and outside the school/college, home, including online.

St Gregory's recognises the benefits of Family Help and early intervention. The school will work with children, families and partner agencies to identify emerging needs and provide appropriate support through school-based provision and referral to Family Help and other services where required.

St Gregory's fully recognises the contribution we can make to protect children from harm and to support and promote the welfare of all children who are pupils at our school. We foster a strong safeguarding culture where children feel safe to speak, are encouraged to share their views and concerns, and know they will be listened to, taken seriously and supported.

Where there is reasonable cause to suspect that a child is suffering, or is likely to suffer, significant harm, the school will act in accordance with local safeguarding procedures and statutory guidance.
This policy applies to all members of the school community, including pupils, staff, Governors, volunteers, trainee teachers, placement students, visitors, contractors, agency and supply staff, and anyone working on behalf of the school. It sets out our expectations and responsibilities for safeguarding and promoting the welfare of all children.

This policy provides the framework through which the school fulfils its safeguarding responsibilities and should be read in conjunction with current legislation, statutory guidance and local safeguarding arrangements, having due regard to the safeguarding procedures of other local authorities where relevant.

If you have any safeguarding concerns relating to our school, please contact our Designated Safeguarding Lead (Mr Quigley) or one of our Deputy Safeguarding Leads (Mrs Wright or Mrs Nightingale) immediately.

Introducing Linda - our wonderful School Counsellor!

We are very lucky to have Linda here with us at St Greg's on a Monday, Tuesday and Wednesday. She is a qualified counsellor who supports children presenting with issues such as: anger, anxiety, attachment, anticipated grief, bereavement, gender identity, low mood, sadness, trauma and much more.

Currently she works with children on a 1:1 basis to aid their mental health and wellbeing through play. She also carries out group sessions to help with things such as anger management, emotional literacy, low self-esteem, self-regulation and social skills.

She is our Senior Mental Health Lead who oversees a team of staff and children who help to keep us all 'mentally healthy' here at school with lots of activities such as wellbeing walks; Wednesday breakfast; Wellbeing Champions; Mental Health Awareness Days - Hello Yellow Day and lots more. She is also here to support parents so if you feel the need for a chat - just shout up!

For more information about Linda and Mental Health and Wellbeing Support at our school, just click the link below this newsletter.

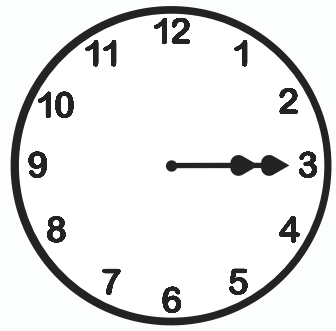

APPOINTMENTS

We kindly ask that, where possible, dental and other appointments are arranged outside of school hours to help minimise learning time missed.

If an appointment is later in the morning, please still send your child to school as normal. They can then be collected from school at the time of the appointment.

Please remember to message the school office via Dojo with any appointment details.

LATE COLLECTION

We understand that traffic can sometimes make it difficult to get to school right on time for the 3:15pm pickup.

However, any child who is not collected by 3:20pm will be taken to the After School Club (collect from front of hall door on Blackpool Road).

If children are not collected by 3:25pm, the session charge will apply.

BREAKFAST CLUB & AFTER SCHOOL CLUB

WE WOULD LIKE TO REMIND YOU THAT TO SECURE YOUR CHILD'S PLACE AT ST GREGORY'S BREAKFAST CLUB, BOOKINGS AND PAYMENTS MUST BE MADE IN ADVANCE.

Breakfast club runs from 7:45am - 8:45am (£3.50 per session) & After school club runs from 3:15pm - 5:15pm (£7 per session). A range of fun activities is on offer along with a variety of healthy drinks and snacks.

Please get in touch if you plan to use the tax-free childcare service or Universal Credit. We will send over instructions regarding the payment option on Parent Pay.

Should you have any questions or need assistance with bookings or payments, please don't hesitate to contact the school office.
