Lessons Learned …		
EYFS	KS1	KS2
Covid negatively impacted upon our ability to deliver our anticipated high-standard of teaching and learning (although we gave it a good go!) – continue with this next year when all back in on site with hopefully a more level playing field. Pastoral provision, curriculum development and behaviour policy development were able to continue and had very good impact on creating the foundations upon which top-quality teaching can take place. Continue to build upon this solid foundations next year.
