St Gregory's Catholic Primary School

Spring 1 2026 RE

Loving all, like Jesus, we flourish together

We were delighted to begin the new year with a whole school Mass celebrating Epiphany. It was a wonderful way to come together as a community in faith, and we were very pleased with the great turnout. Thank you to all who joined us in marking this special occasion.

This half term in Reception, the children began by learning about the visit of the Three Wise Men and the special gifts they brought for baby Jesus. We enjoyed role playing the story to help bring it to life. We explored the story of Jesus blessing the small children and created a display to remind us that Jesus welcomes everyone. The children learned about how Jesus cared for the poor and vulnerable, including the story of Jesus feeding the 5000. We made our own little baskets with bread and fish in. One of our RE governors very kindly showed us around church, giving the children the opportunity to explore and become familiar with it before they begin attending Mass with the rest of the school very soon.

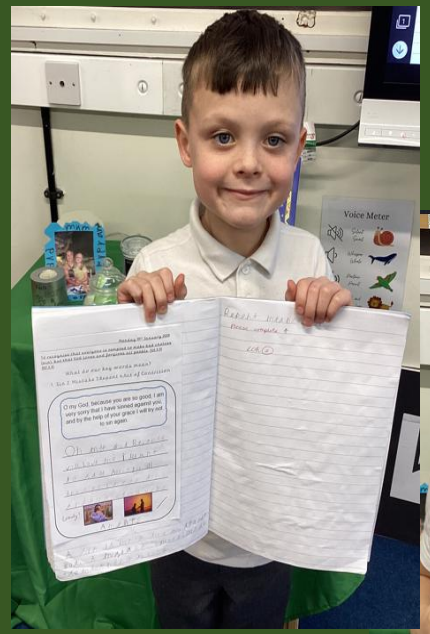

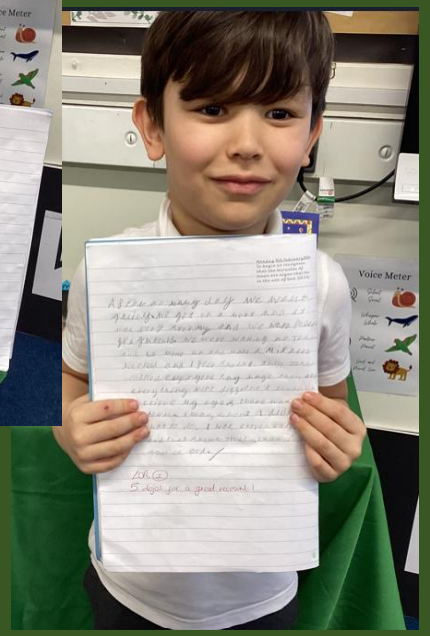

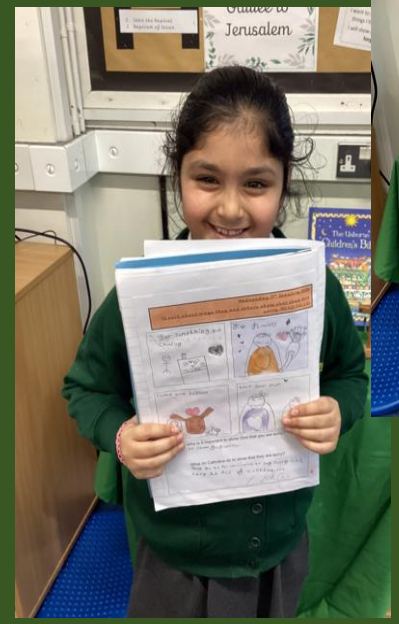

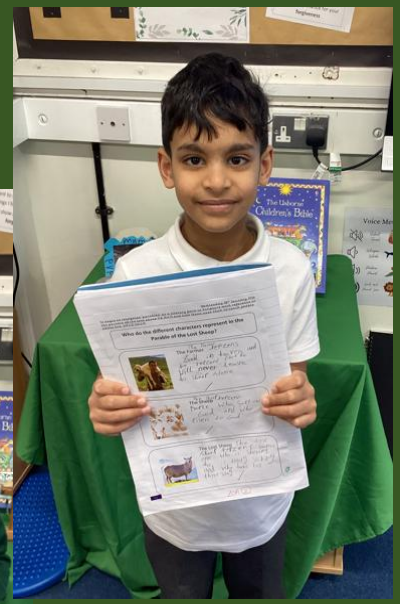

In Year 1, this half term we have listened and discussed the Gospel of Jesus in the Temple. We then acted out the Bible story focusing on the words Jesus said about being in his Father's house.

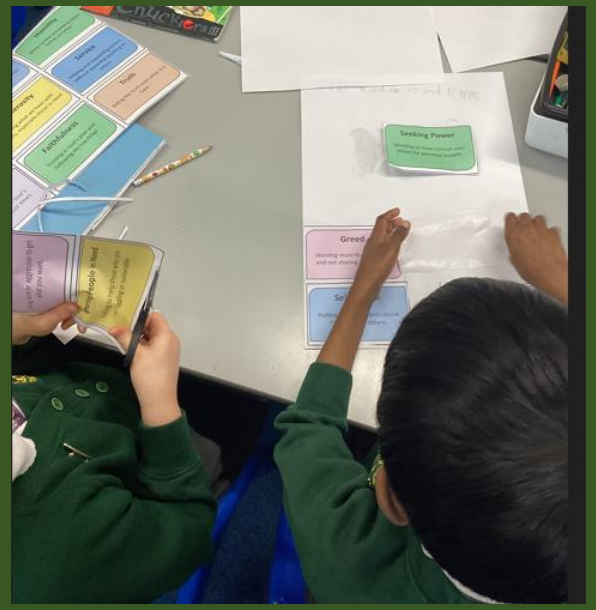

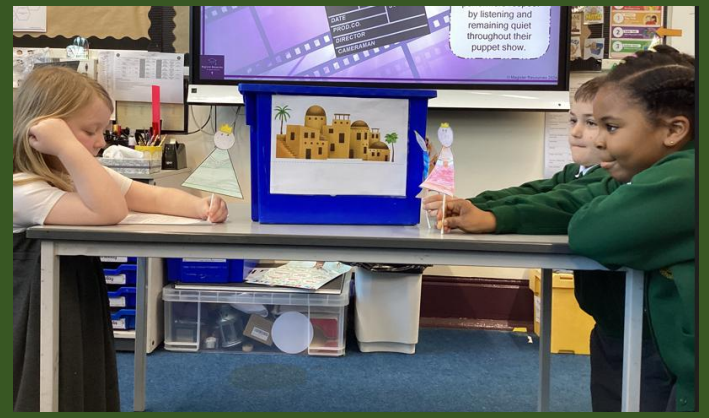

In Year 2 we have been learning about acts of Penance and how we can bring ourselves back to God. We have also focused on Jesus' miracles and how these are a sign that he is the son of God. We enjoyed making our compliment cards for the fire service who visited us earlier this half term.

In Year 3 we have learnt about some of the miracles that Jesus performed, we created a puppet show to retell these. We have discussed and reflected on what The Kingdom of God is and is not. We enjoyed making our compliment cards for the Police who serve in our community.

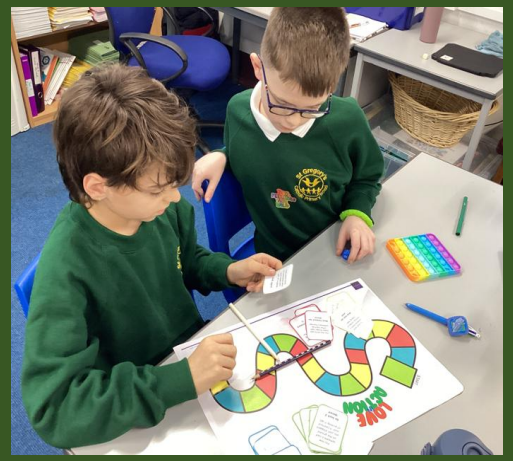

In Year 4 we've been looking at the miracles Jesus performed. We have reminded ourselves about why he is the Messiah and the incarnation. We created role-plays about the time Jesus walked on water. We created a paper chain as a class which is made up of the miracles we thought were important and why. We've also looked at different sacraments, including Reconciliation and the Sacrament of the Sick.

This half term, Year 5 have enjoyed exploring and reflecting on The Greatest Commandment. We have considered what it means to love God and love our neighbour, and how we can live this out in our daily lives. We role-played and wrote letters as the disciples who witnessed the Transfiguration of Jesus, helping us to imagine their thoughts and feelings. We also created board games to show how we can put love into action, and finished by making compliment cards for 'Chorley's Angels', spreading kindness within our community.

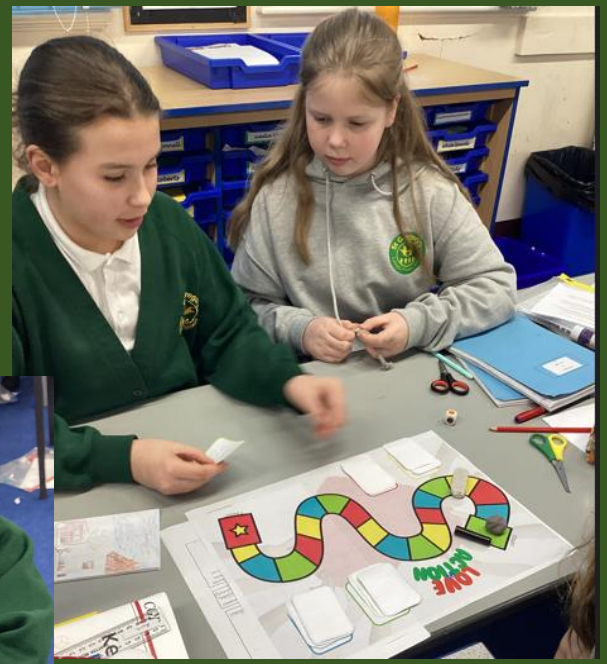

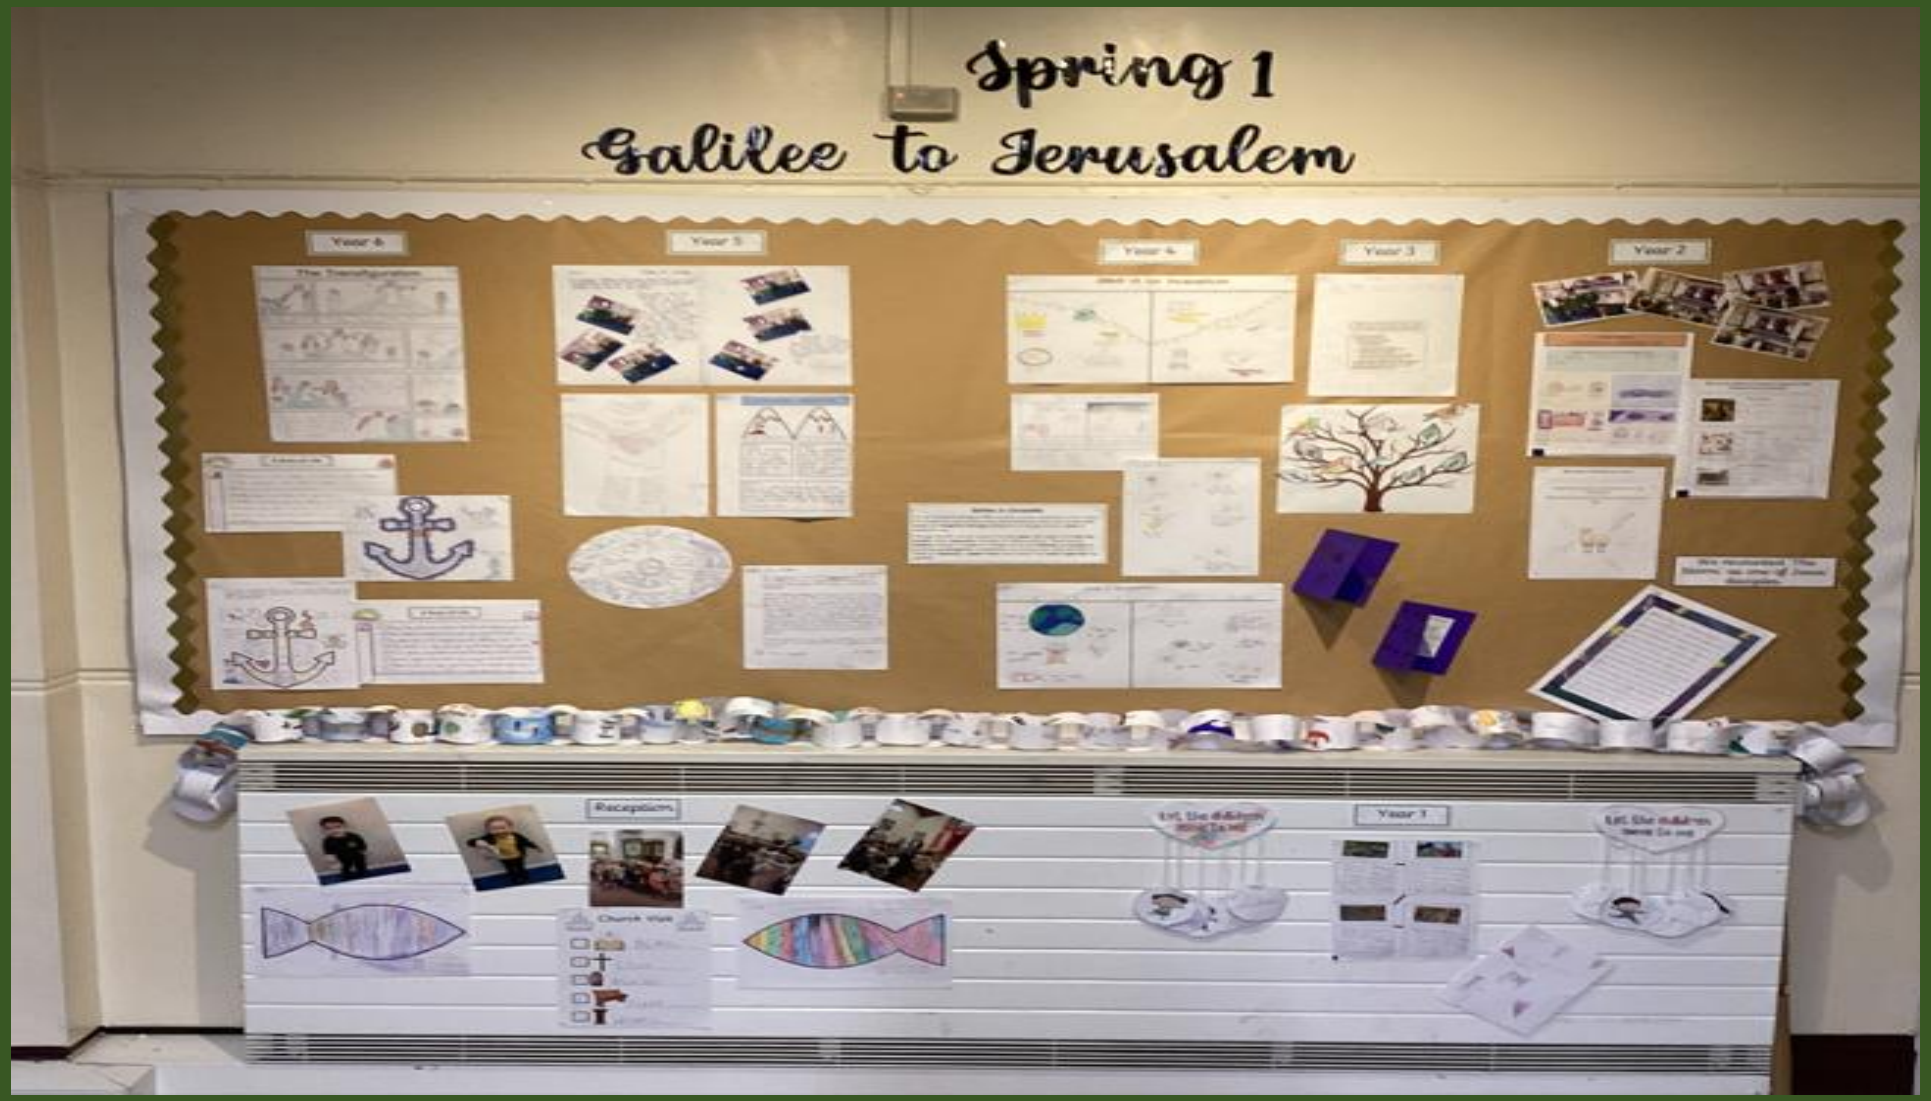

Year 6 have been learning about loving God and loving their neighbour. They reflected on how they can show love through their actions, created board games with examples of “love in action” and enjoyed playing them together.

Here is our whole school RE display with work from every class this half term.
