# St Gregory's Catholic Primary School

# Summer 2 2025 RE

*Loving all, like Jesus, we flourish together*

Reception have been exploring images of Jesus from non-European traditions for pupils to use as inspiration for creating their own artwork.

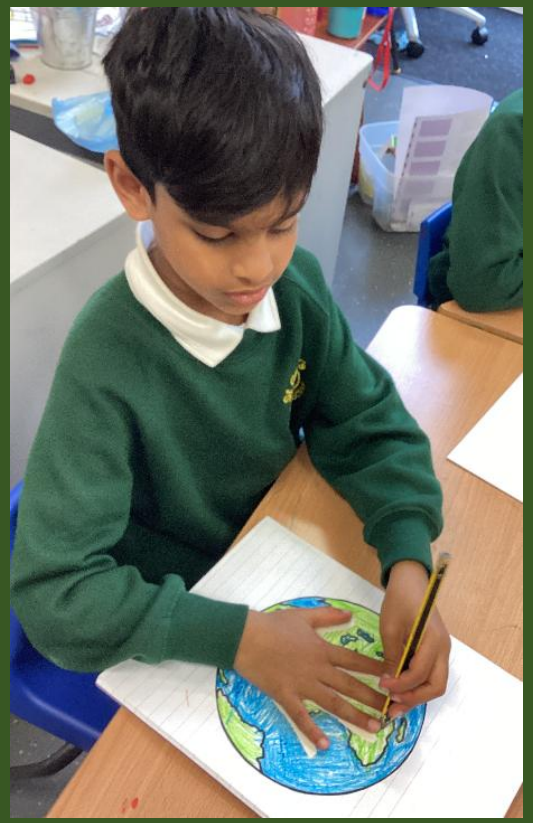

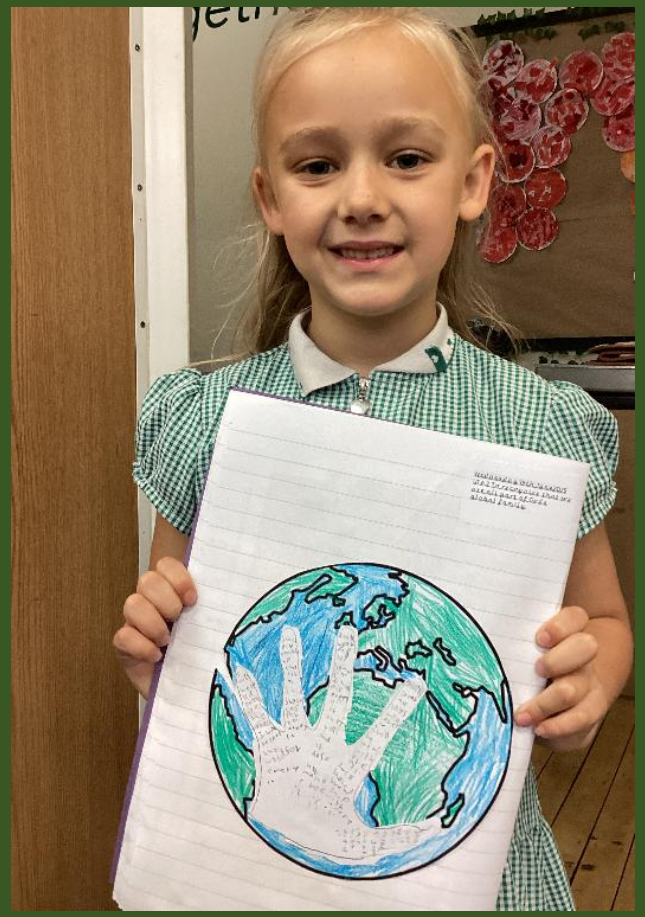

# Continuous provision in Reception

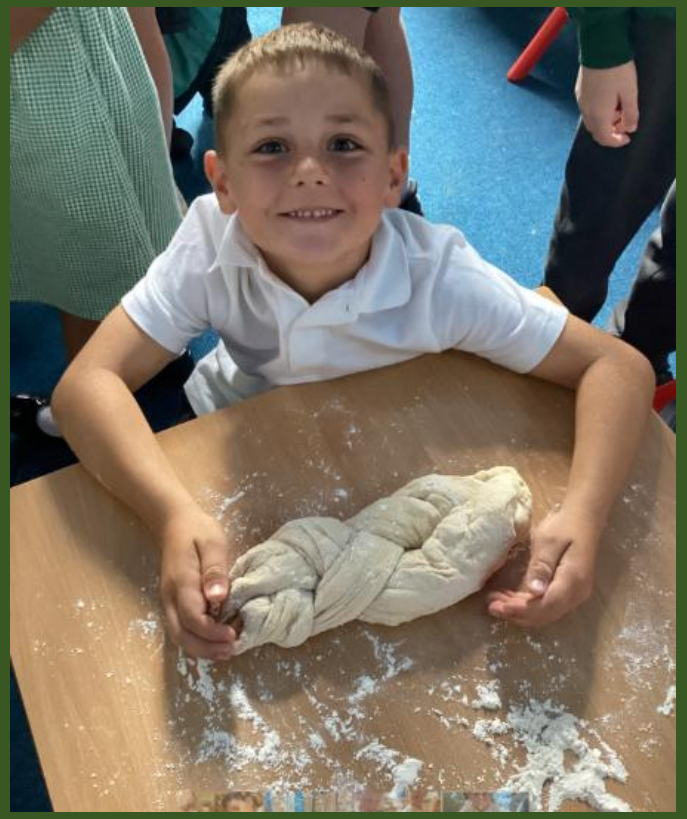

In Year 1, we have been learning about how we are a Global Family.

In Year 2, we made Challah bread whilst learning about Judaism. This is the special bread they share at the Shabbat.

In Year 3, we have been making connections between the Last Supper and the Passover. We matched scripture to information about the two events. Then decorated stones with images and pieces of Scripture.

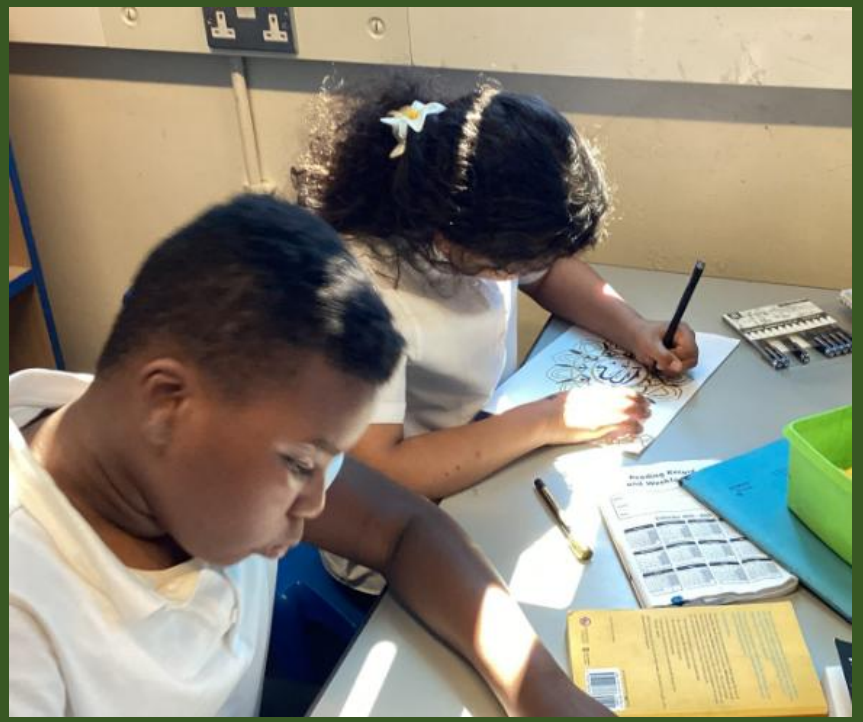

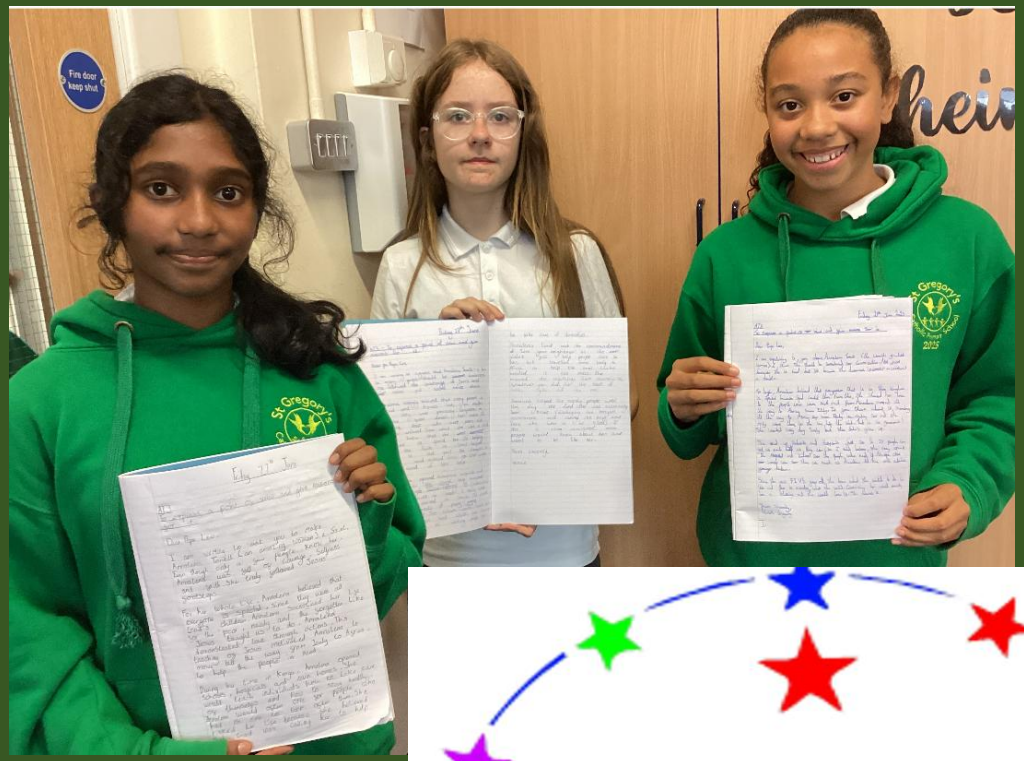

In Year 4, we have been planning and writing a Letter of Love to a friend who is struggling using wisdom from 1 Cor. 13 to encourage them in faith, hope and love.

In Year 5, we have been finding out more about the Jewish and Muslim faiths.  We have particularly enjoyed making leaflets, posters and comparing religions.

AT3 - To express a point of view and give reasons for it.

Dear pp Pope Leo,

I am writing to suggest that Annalena Tonelli - a hero to many people should be ~~cannon~~ canonized. She followed the teachings of Jesus and ~~She~~ never put herself before others.

Annalena strongly believed that every person is special and deserves love, no matter if they were previously forgotten or ill. She spent almost her entire life helping those who were poor, sick and unloved. Even when she was a child, she knew that she ~~was destined~~ wanted to spend her life helping others. Her faith in Jesus helped her to look past the dangers in Africa and instead focus on the people in need of her help.

Annalena opened numerous hospitals and schools so she could help hundreds of people. ~~Whilst treating~~ Even though TB (tuberculosis) has medicine to treat it now, when Annalena arrived in Kenya, TB would kill thousands of people ~~every~~ and hospitals every year. The schools would teach both deaf children and adults sign language as well as teaching people how to take care of themselves.

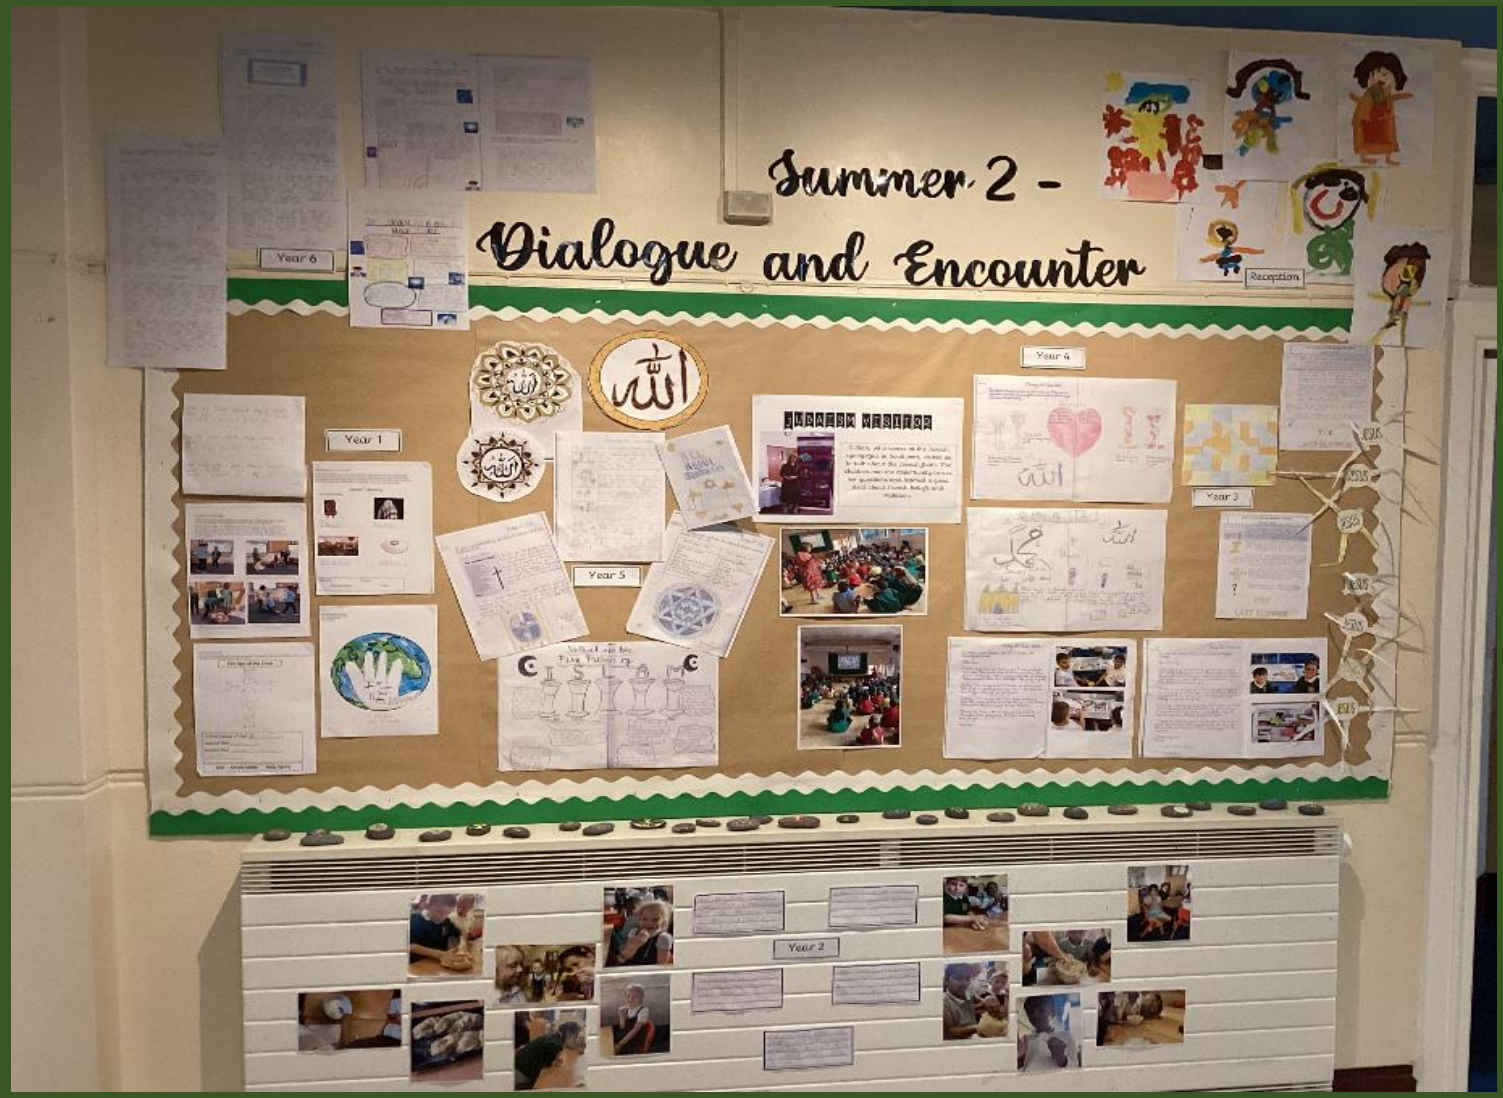

Annalena lived out the commandment of 'Love your neighbour' as she ~~not~~ didn't just help people close to her, but travelled from Italy to Africa to help the ones who needed it the most. She mirrored the teachings from Matthew 25, 'Whatever you did for the least of these, you did for me!'

Annalena helped the needy people until the day she died. She was extremely ~~brat~~ brave (disobeying the Kenyan government and saving the boys and men who were to be killed). If she is ~~can~~ canonized, more people would know about her and want to be like her.

Yours sincerely,

Winnie.

In Year 6, we have been learning all about the work of Annalena Tonelli. We drafted a letter to send to the Pope to suggest that Annalena should be canonised.

Here is our whole school RE display with work from every class this half term.

# JUDAISM VISITOR

Gillian, who volunteers at the synagogue in Southport, visited us to talk about the Jewish faith. The children had the opportunity to ask her questions and learned a great deal about Jewish beliefs and traditions.
