Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that you should use the Primary PE and Sport Premium to:

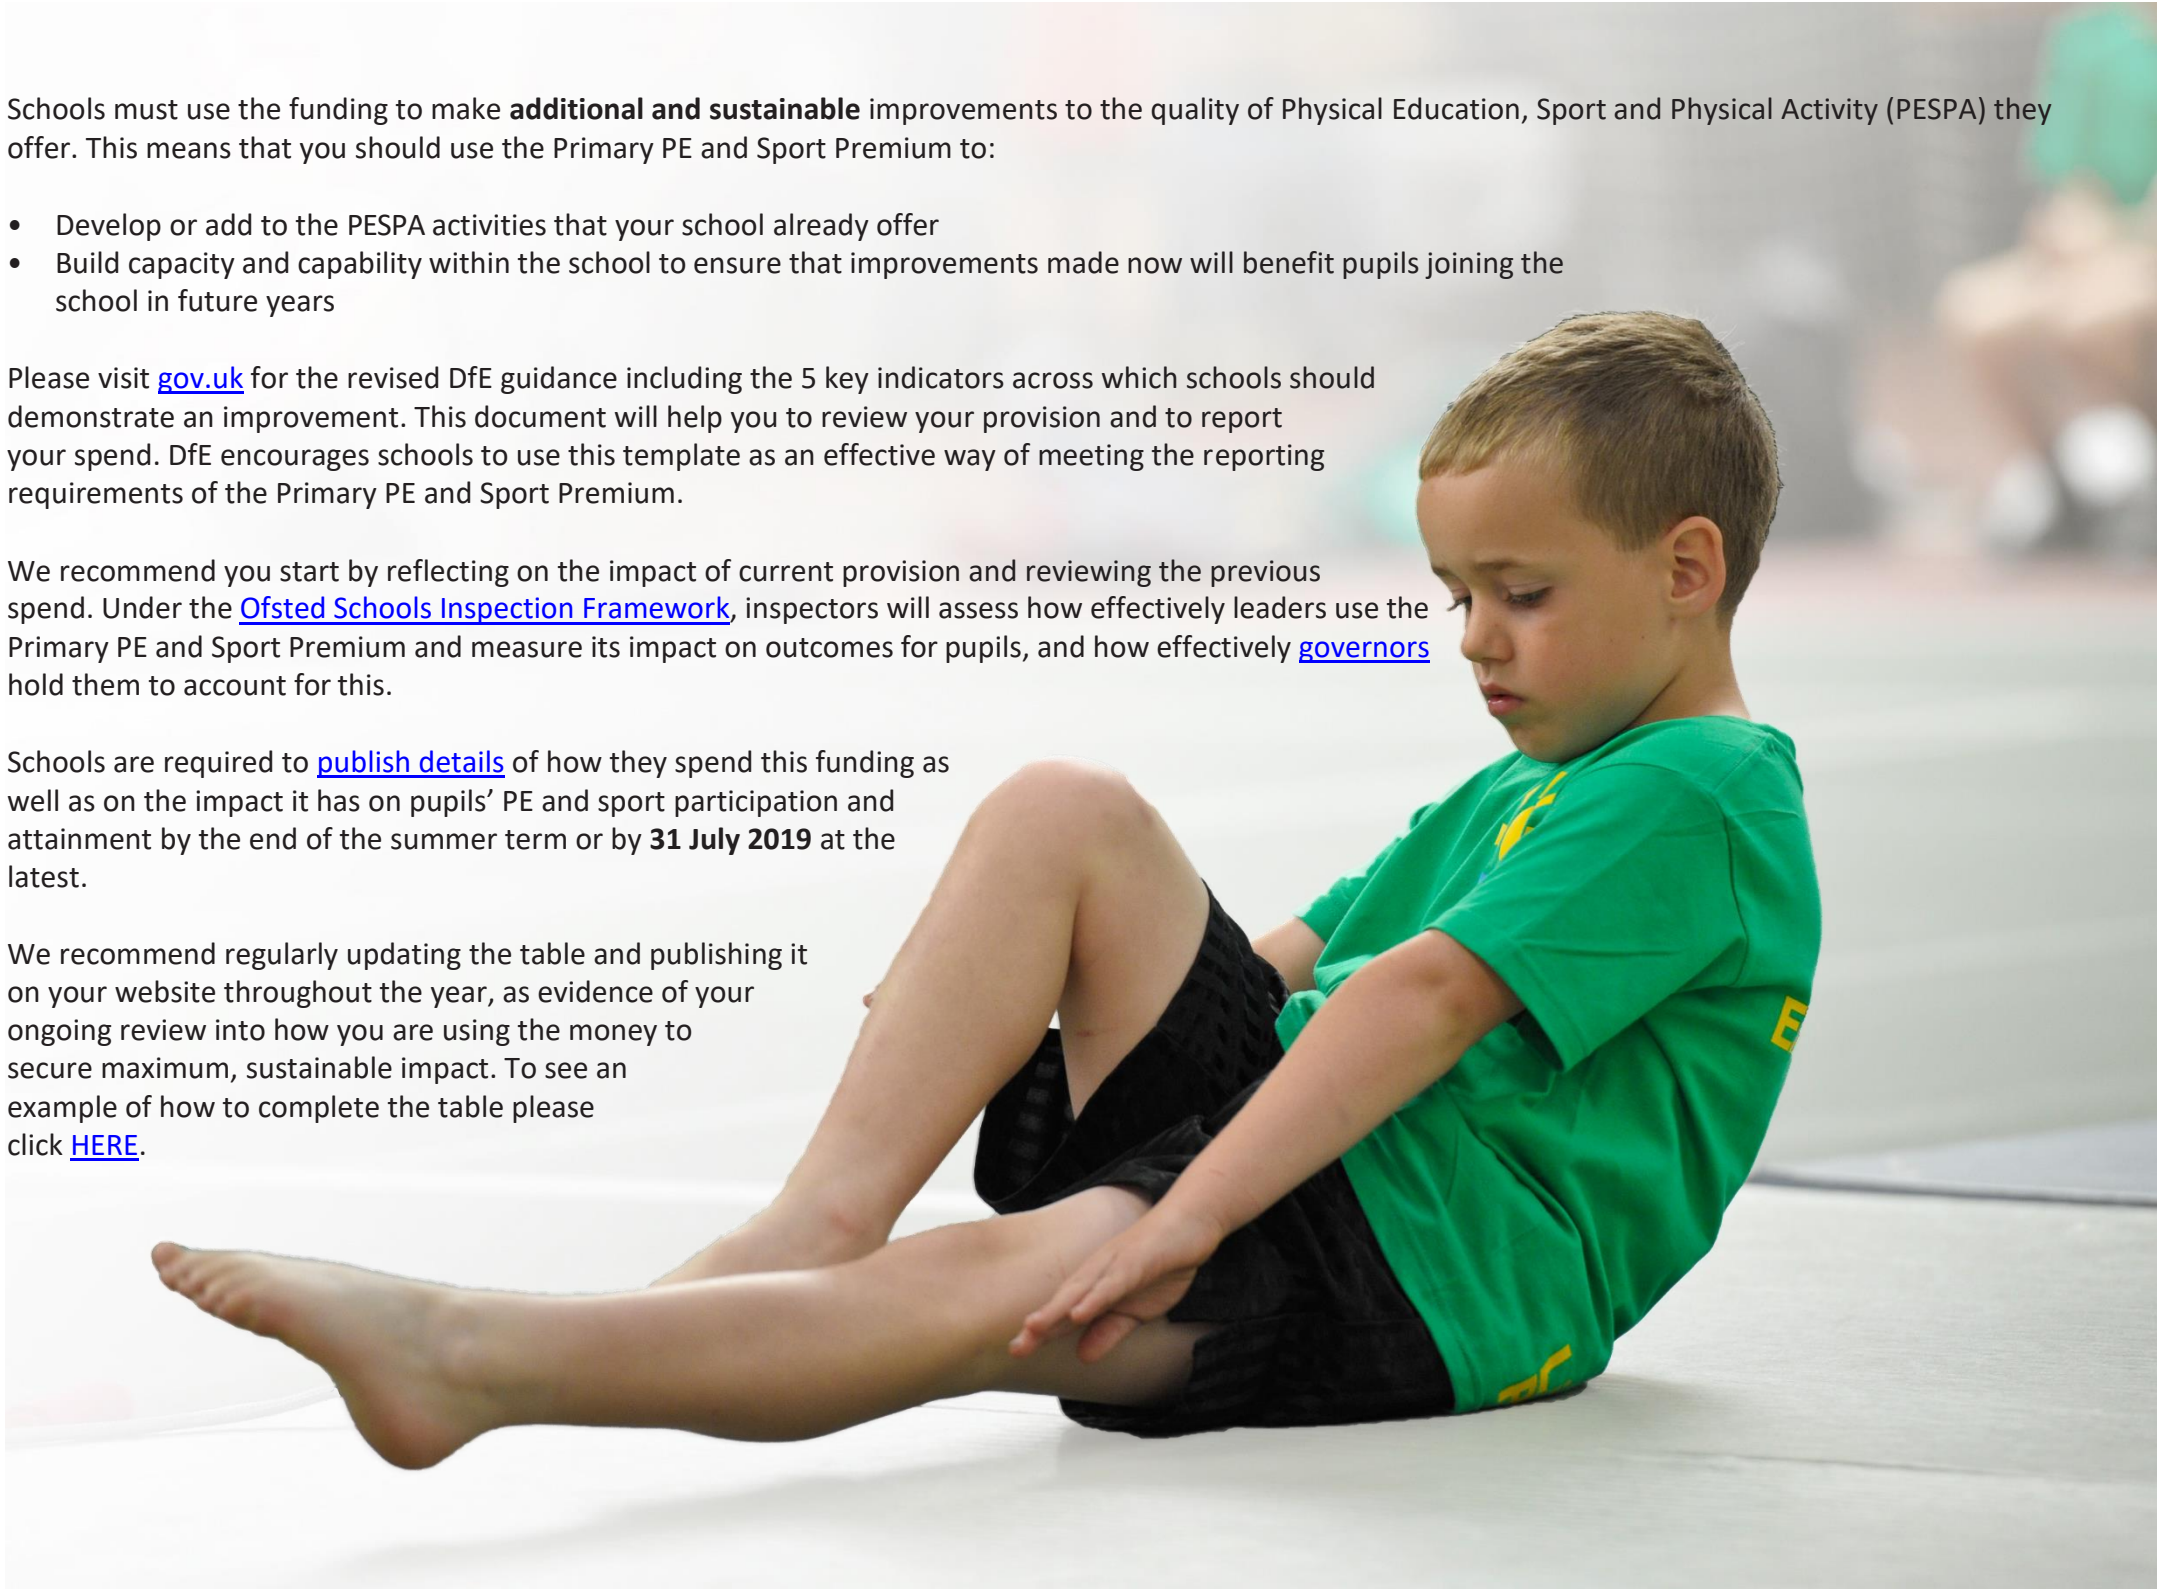

- Develop or add to the PESPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the Ofsted Schools Inspection Framework, inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively governors hold them to account for this.

Schools are required to publish details of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31 July 2019** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year, as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click HERE.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
• Confidence of staff continues to increase due to targeted CPD so as to deliver a broader and more balanced curriculum. • Children continue to be given the opportunity to participate in a range of sporting activities within the timetabled curriculum and after school. • School were SEN Kurling Champions for Lancashire in 2019/20 • Subject Leader engagement with local cluster of schools and PE network, benefitting from sharing of best practice	• Going forward, St. Gregory's need to continue to increase the levels of children being physically active and competitive even more, both in school and outside of school. • Staff to now put CPD into practice in targeted areas of gymnastics and dance. • To further-develop monitoring of teaching and learning in PE across the school. • To embed assessment of PE across the school. • To continue to build upon the daily mile initiative across the whole school • To revamp the apparatus and equipment on the playground and around school to build National Curriculum objectives into the physical ethos of the school, giving children continuous opportunities to practice these skills and activities

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
