Ofsted Report

Dear Parent/Carer

Following our recent Ofsted Inspection we are proud and delighted to be able to share with you the Ofsted Inspection Report.

The hard work and dedication of everyone in the St Gregory's family including staff, parents and especially our amazing pupils has resulted in an excellent judgement of **Good in ALL areas**.

This is a wonderful and well deserved result for the school especially under the current Ofsted framework.

We would like to thank parents/carers for their ongoing support and all their positive feedback in the Ofsted questionnaire.

I am sure you will enjoy reading the report which provides more detail regarding the great work being done in school.

Please celebrate our success and share the result with friends and family.

Cath Wallace

Chair of Governors
